Notes

- There is a \$4.99 service fee to utilize pick-up (sometimes they may offer promotions that void the fee).
- As in any store, there is a CT state bag fee for using store bags.
- Prices instore and online are the same.
- No minimum spend requirement.
- Perishable food items are allowed in cart.
- If items are sold out, the user will be contacted (phone or text) about other buying options.
- ShopRite staff are not allowed to accept tips, so tipping is discouraged.
- When reaching the payment section of the app, if pay at store is not an option you will not see it, if it is an option you will see it in the list of available payment options.

No "pay at store" option
